REQUEST FOR CORRECTED FILING RECEIPT

Sir:

I. Attached is a copy of the official Filing Receipt, mailed December 24, 2003, in the referenced application for which issuance of a corrected Filing Receipt is respectfully requested.

II. There is an error with respect to the following data, which is incorrectly entered and/or omitted.

Serial No. 10/672,936, filed Sept. 25, 2003
Docket No. 1103326-0502-CON

| 8. <input type="checkbox"/> Attorney Docket Number | 8. |

III. Applicants request correction of the filing date of International Application PCT/SE98/00974 ("the PCT application") as printed on the Filing Receipt. Specifically, the filing date of the PCT application is incorrectly entered as "May 5, 1998", whereas the correct date should be "May 25, 1998". A markup copy of the Filing Receipt showing the change to be made is included with this communication.

IV. The referenced application is a continuation of U.S. Patent Application Serial No. 10/076,711, filed February 14, 2002 (the "711 application"), now US 6,677,455 (the '455 patent'), which is a division of U.S. Patent Application Serial No. 09/077,719, filed June 8, 1998 (the "'719 application"), now US 6,369,085 (the '085 patent'), which is a §371 of PCT/SE98/0097, filed May 25, 1998 (the "PCT application").

As permitted by 37 C.F.R. §1.63(d)(1)(iv), a copy of the originally executed declaration filed in the grandparent application, i.e., the '719 application, was submitted concurrently with the instant continuation application. The grandparent '719 application is a §371 of PCT/SE98/00974, filed May 25, 1998. However, by inadvertent clerical error, the PCT filing date was incorrectly provided as "May 5, 1998" in the originally executed declaration. This error was identified after issuance of the '085 patent, and it was corrected by a Certificate of Correction. A copy of the Certificate of Correction issued in the '085 patent is attached to this communication. Also attached is a copy of the first page of the published PCT application, International Publication No. WO 98/54171, which also shows the correct May 25, 1998 filing date for the PCT application.

Serial No. 10/672,936, filed September 25, 2003
Docket No. 1103326-0502-CON
Page 2 of 2

Accordingly, correction of the Filing Receipt that issued in the referenced application is respectfully requested to reflect the correct filing date for the PCT application, i.e., May 25, 1998.

V. Should any fee be deemed necessary in connection with this filing, the Assistant Commissioner is authorized to charge such fee to Deposit Account No. 23-1702.

Dated: Feb. 6, 2004

Respectfully submitted,

Andrew Fessak
